August 2010 Newsletter

Dear Customer,

August and the long school holidays are now upon us. If you have kids, we share your pain; if you don't, isn't it funny how much quicker you get to work in the morning! We can't help much with kids' boredom but we can provide a little relaxation for you if you're feeling frazzled. If you're lucky enough to be off on holiday don't forget our FakeBake full body spray tans at just £25 – 15 minutes of your time to stop you being the palest by the pool.

Pick & Mix Combo; the August Special Package

This month we've put you firmly in the driving seat by giving you the chance to choose from a combination of our most advanced, results driven treatments and a selection of relaxing treats for good measure.

For your face, choose from a CACI mini non-surgical facelift which lifts and tightens sagging skin around the eyes and jowels, a CACI Futur-Tec wrinkle treatment to regenerate the skin, plumping wrinkles by producing collagen and elastin, a Skinbase Microdermabrasion Treatment to re-surface your skin and help with acne scarring, pigmentation, fine lines and wrinkles or an indulgent Elemis Taster Facial.

Now we move onto your body where you can choose from a CACI Lymphatic Drainage body treatment, a CACI Body Toning treatment to lift, tone and define muscles or an Elemis Energising Foot and Leg Treatment using Devil's Mint Scrub and Instant Refreshing Gel to cool, soothe and revitalize those tired legs and feet and helps reduce fluid retention.

All this divine pampering is just £48.00! Or if you wanted to extend the package why not add cuticle work and a file and polish for either your fingers or toes for just £10.00 extra? Ultimate indulgence!

Mother and Daughter School Holiday Special

I know we said we couldn't help much with the long school holiday but this might help a little bit.

Why not treat your little darling whilst treating yourself. On Wednesdays, Thursdays and Fridays throughout the school break simply book any treatment over £30 and your daughter can have a free **Sweet Chocolate Manicure or Pedicure** consisting of Zingy Devil's Mint Scrub followed by a Yummy Chocolate Cream Massage and your choice of colour.

Don't forget we also offer ear piercing from just £15 using two guns at once so you don't end up with a one stud child!

Speak to us about child's parties – foot baths, manicures, pedicures, facials, nail art – what more could a girl want?

The 2nd Pure Indulgence Mind, Body and Spirit Evening

If you came to our last event you won't want to miss out on this. Once again we've put together a fabulous evening of mini treatments, demonstrations, refreshments, goody bags and of this time well known local clairvoyant, Pat Underdown.
